Two remote handsets and receiver	**£174**	**£145**	Set of two remote handsets and receiver

What moves the price?

The size of the opening, how often it runs, the drive, the fixing surface, the power supply and the access. Openings larger than the sizes noted go to survey. Shutter repairs, springs and curtains are quoted after inspection.

What happens next?

Get a guide for your own opening at shutterandshopfront.uk/quote/, then ask for a free site survey. Surveys in remote and island areas, and in Northern Ireland, are by arrangement, and we confirm any charge first. Nothing is ordered until you accept a written quotation.
